Dear Mr. Brown:

Thank you for your letter of July 14, 1990 in which you enclosed an excerpt from "Chemical Sensitivity, a Report to the New Jersey State Department of Health".

Dr. Ashford's comments regarding alternative approaches to investigating the causes of chemical sensitivity are very interesting. I have taken the liberty of forwarding a copy of your correspondence to my colleague, the Honourable Perrin Beatty, Minister of Health and Welfare.

Yours sincerely,

Michael Wilson
